Our invoices, expense bills, fees are payable to a CHIREC bank account. The non-payment of an amount will result, as of right, 10 days following a reminder remaining without effect, in the application of legal interest starting from the date of the invoicing of the sum involved, together with a flat-rate increase of 12% of the unpaid total, with a minimum of 30.00 euro.

Every patient has the right to obtain information regarding the financial consequences of the hospitalisation and type of room chosen. Every patient has the right to be informed by the doctor about the costs that he/she will have to bear for the medical treatment to be scheduled. I have received, appended to the present declaration, an explanatory document describing the room and fee supplements. The summary of prices for goods and services offered at the hospital are indicated in it. I understand that all the expenses cannot be foreseen.
